

So what do you think is the best job ever? I can tell you what I think it is and I can also tell you who I personally has it. By day, he is the best science teacher, but when night falls; him and his wife take on a whole different identity.

Mr. and Mrs. F are the greatest secret agents this world has ever known. They are masters of disguise and are as fast as lightning. Upon a moment's notice they can be called out on a top secret mission that could be anything from stopping a war before it starts or taking down a villain before he threatens great harm.

Their most recent mission was to to on their arch enemy, Mr. Barnicklepants. He is a very dangerous villain that has threatened kill off everyone in the universe with his death potion that can be vaporized into the air and kill everyone as soon as they inhale it.

This particular evening, they get the call from their boss telling them to get into their super-elastic clothing, and head to Mr. Barnicklepants laboratory to stop him from spreading the lethal vapor.

Upon their arrival, they must get past security and into the lab without Mr. Barnicklepants knowing they are there and of their mission to stop this evil madness.

Upon arriving at the laboratory, he was walking down a dark, creepy hallway. Two security guards jumped out of the ceiling and taken into hostage. Mr. F is then behind Mrs. F, with a metal bar, then he whacked the security guards upside the head. He then realises that those weren't the security guards that attacked Mrs. F. As Mr. F gains access by getting the key from the security guards. Now that Mrs. F is missing, Mr. F now must not only stop Mr. Barnicklepants from releasing his deathly potion, but he must also find his wife. Upon entering Mr. Barnicklepants room, he is light on his feet so nobody will hear him. When he gets inside

and sees the security cameras, he notices that his wife is tied up to a chair and Mr. Barnicklepants is working on his deathly potion. Mr. F prowls down the stairs and into the basement as quiet as a mouse because Mr. Barnicklepants is working so intensely on his potion, he doesn't notice that Mr. and Mrs. F have united and now as a team they sneak into the laboratory, and upon startling Mr. Barnicklepants he releases the lethal vapor into the air.

Luckily, Mr. and Mrs. F have on their hazardous material masks and are not breathing in the poisonous vapors. Mr. F and Mr. Barnicklepants wrestle each other to the ground and Mrs. F takes the lethal vapor that has been bottled up and DESTROYS it. The fight ended after Mr. F gave Mr. Barnicklepants a right jab into the throat, saving the world. Mr. F has no problem taking Mr. Barnicklepants into custody and saving the day!
