

*The Amazing Mrs. Myer!!!*

Once upon a time there was a newborn child. It was one extravagant child. The baby was strong, fast, and had huge lungs they could breath from. The doctors were surprised and stunned about how powerful this child was.....

*\*Beep\* \*Beep\** The Myer Mobile gave a notification to Mrs. Myer. The Myer Mobile said "Message for Mrs. Myer the Superhero". She got scared and jumped up from her seat. Her Best Friend Robin, her monkey giggled at her. She lightly punched Robin and giggled too. She looked at the message that the Myer Mobile gave her. She was shocked, there was a robbery four blocks away from where she was. She puts her keys in the Myer Mobile a zooms in a second. When she gets there she yells out "The amazing Myer is here!".

The people say to her that she is too late he is gone. Then Mrs. Myer says that she will track him down and put him in jail and bring back the money, The people cheer! It took Mrs. Myer a few minutes to track the robber, she set a picture of the robber on the MyerMobile screen so she could her reminded herself how he looked like. She got a description from the people from the bank of the robber, it took her awhile to find the robber, but then she sees a guy running for his life trying to get into a black van. The robber looks both ways to make sure no one was following him but once he turned her direction the match was exact. She zips through to catch up to the robber and by the time she catches up with him he is already in the van driving away.

The robber missed two red lights and police were after him too. He ignored the speed limit and went twice as fast than the normal speed limit. Mrs. Myer and two other police cars and a helicopter were after the car. Robin, the handy monkey told Mrs. Myer to set a wall bomb, she

thought it was a great idea. She told the Myer Mobile to set a wall bomb the Mobile said “okay right away, activating wall bomb in 1,2,3...,” .

*\*Poof\** The wall bomb was thrown and a big brick wall was set up. The robber stopped and had nowhere to go so he got out of the car and started running, Mrs. Myer got out of her car she had amazing speed and she caught him in no more than a minute. The police took it from there and he got arrested. Robin the monkey was in the car listening to music, bobbing his head to the jam of Shawn Mendes!

While it all happened. Mrs. Myer came back from all the drama and said “ Is that what you were doing all this time Robin?!” Robin turns off the music and says “no....???” , they both giggle. They drive back to the bank to return the money the crowd goes crazy and cheers for both Robin and Mrs. Myer.

After returning the money back into a safe place they have a pizza party and some lemonade. Robin made a new friend named Jessica and she loved Shawn Mendes too and they both jammed out to it while they had pizza and lemonade.

Mrs. Myer giggled as the two listened to the music. After the party Jessica and Robin were skipping into the sunset and they lived happily ever after. (While listening to Shawn Mendes!)
